# RECORDS

We have hired the Supervisors for the Digital Records Unit

Extraditions booked 16 trips in July. We continually do our due diligence and check with the Transport companies but unfortunately until they can start driving again it is not worth using them. Their quotes to fly are double sometimes triple the amount of what we would pay using our deputies.

In preparation for the Digital Records Unit the File Room has been cleared out to include the Service Window. We have granted Badge Access to the entire Sheriff's Office for the main door.

# EAST

Deputies attended Strasburg Foam Day on July 17.

Command staff attended the Bennett State of the Town Address at the Bennett Community Center on July 23.
